### Books and Uniforms Estimate

Books	\$150 – \$300, approx.
Uniforms	+/- \$600

**Optional safe rental** \$75/yr

### Optional Music Lessons

Piano, choir, certain ensembles	NC
Private Instruments, Vocal	\$42/30min

### Optional SAT Prep class

Please contact the college counseling office.

**Student Life Fee** This annual fee covers the cost of wireless internet and technology usage and some student activities. Students have access to wireless internet throughout campus and have access to a printer for academic work if needed. Teachers have access to iPads for classroom projects. Students should bring their own laptop computers. Tech support is available for school-related services.

**Activities** SKS offers a myriad of arts/cultural trips, outdoor adventures, and community service opportunities. In some cases, SKS is able to absorb the cost of these activities. In other cases, the cost of transportation, entry, equipment, etc. must be paid by families. Teachers usually provide an estimate of cost while announcing the opportunity.

**Escrow Deposit** This sum is held by the school to cover unpaid costs incurred by the student to include books, testing, supplies, room or property damages, etc. In the event that the expenses are not paid by the student's family, the unpaid amount is deducted from escrow. Any unused amount is credited to the account when enrollment is completed.

### Student Banking and Invoicing

An ATM is available on campus. All students should have a debit/credit card for cash needs or purchases made on campus. These include purchases in the school store and the student center

snack bar. There is a \$1.75 charge for each ATM transaction, in addition to whatever fee your bank may charge. Invoicing will be permitted for certain services. Families receive monthly statements for invoiced charges.

### New International Student Orientation

Required of all new international students, the student arrives on campus a week ahead of registration. Orientation helps new students rest from long travel, acclimate to new surroundings, form relationships, and sit for placement testing so that their academic schedules can be finalized.

### English as a Second Language

ESL begins with an assessment to determine each non-native speaker's level of proficiency. Students are then placed in classes suited to their individual needs.

### Academic Support Program

During the admissions process, the families of students with mild learning differences work with Admissions staff to determine whether students might benefit from extra support. ASP begins with ASP class and oversight of the student's program. In addition, students may take their core classes (English, math, science, history) within ASP. All other classes and activities take place within the traditional program.

### Medical Insurance

All SKS students are required to have adequate comprehensive medical insurance that can be used in the local area. Students who do not have their own health

insurance may purchase appropriate coverage through SKS.

### Transportation

Limited transportation is provided by SKS. The School provides weekend shuttles to/from the Garrison train station to NYC. The school also provides transportation to/from SAT testing sites for testing scheduled by the college counseling office. SKS has contracted with Commonwealth Worldwide Chauffeured Transportation to provide shuttle service to EWR and JFK. To reserve, call toll free 866-770-1677, or local 718-706-5500, or email [reservationsny@commonwealthlimo.com](mailto:reservationsny@commonwealthlimo.com)

<a href="#">m</a>	Medical transport	TBD
	TOEFL transport	TBD

### Laundry and Dry Cleaning

Washers and dryers are available in each dorm free of charge. A laundry service can be set up through the Business office.

### Personal Property

SKS does not accept liability for students' belongings. It is recommended that belongings are included in parents' homeowners insurance. Students may rent safes to be installed in their dorm rooms.

### Books and School Uniforms

Students may charge books to their SKS accounts; parents will be billed. Students may order their uniforms from Tommy Hilfiger. (See SKS website or matriculation packet.)
